Old Business:

Item A: At this time, a public hearing was conducted to discuss and hear any comments related to the adoption of a Proposed Ordinance introduced on 12/09/13, and titled, “***An Ordinance Amending the Zoning Ordinance, Ord. No. 4 of 1980, by Classifying “Modular Building” and “Portable Building”, When Used as a Residential Unit, as a Use Requiring Zoning Approval, and Setting a Minimum Size for Said Building.***” Adoption of this Ordinance would definitively require the petitioner to seek approval from the Mansfield Zoning & Planning Commission before situating such buildings in a residentially zoned area. New Business: None.

During the **Comments Period** for the Mayor and Council Members, Mayor McCoy opened the floor to Mr. Ron Smith, Sr. of CLECO Power, LLC to formally introduce himself to the Council and attendees. Mr. Smith moved from Pineville, LA to Mansfield in November 2013 to replace John Freeman and serve as a CLECO agent for the Northern operating area in Principal Governmental Services. The Mayor and Council welcomed him and wished him well in his new position. Following the introduction of Mr. Smith, Mayor McCoy stated that in the near future he plans, with the Council's approval, to request that members of our local delegation introduce legislation in the 2014 Legislative Session allowing the governing authority to submit to registered voters located within the municipal boundaries, a proposition to determine whether or not the business of selling alcoholic beverages in "**restaurants only**" may be conducted and licensed within the incorporated limits of the City of Mansfield. Allowing the sale of alcoholic beverages in local eateries would significantly increase the City's revenue stream. Passage of

such legislation could also potentially attract new businesses to Mansfield—specifically those desiring to include alcohol on their dinner menus as a beverage choice. The Mayor first informally polled each council member, asking for their opinion on the matter. All aldermen present were in favor of moving forward with this proposition. Other attendants at this meeting were also allowed to voice their opinion on this issue. All those present spoke in favor of this measure. A formal resolution will be offered for adoption at the January 27th regular meeting, authorizing and directing the Mayor to commence with the steps necessary to allow the sale of alcoholic beverages in “*restaurants only*” located within the City’s corporate limits.

With no further business to discuss, the meeting adjourned at **4:49 p.m.**, by MOTION from **JOSEPH HALL, JR.** and was SECONDED by **TROY N. TERRELL**. Motion Passed Unanimously.
