The Mayor next opened the floor to hear public comments from those in attendance to any item outlined on the meeting agenda. When no comments were offered, the **Public Comments Period** was then closed.

Old Business:

Item A: Discussion and deliberation regarding the closure and abandonment of a portion of Dewey Street continued from the May 9th regular council meeting. This matter was first introduced at the May 9th meeting by Mr. Gilbert Stoma, who was accompanied by his legal counsel, Mr. Nick Gasper of the D. Scott Brown law office (Mansfield). Mr. Stoma owns the lot that the old Farmer Brown's Chicken restaurant used to occupy. At this meeting, Mr. Stoma offered that his intentions are to situate a commercial establishment near the easternmost portion of Dewey Street. Specifically, he owns the property situated immediately North and West of the intersection of U.S. Highway 84 West and U. S. Highway 171 North. Representing the City, Jim Ruffin stated that all businesses fronting Washington Avenue are served by a 6" water line and an 8" sewer line housed underneath Dewey Street. Further, concerns were voiced regarding how emergency vehicles and school buses would navigate through the neighborhood near this street if one end of it was closed to through traffic. If one end of the street is closed off, motorists would only be able to enter/exit at the west end of that thoroughfare. Mr. Stoma further stated that he had made contact with the only two residents still living on Dewey Street, and they voiced no objection to closing the end of the street to through traffic. Finally, despite the above concerns, it was MOTIONED by **G. B. HALL III** and SECONDED by **JOSEPH HALL, JR.** to authorize the advertisement of a public hearing on the abandonment and closure of the East 198 feet of Dewey Street. Motion Passed Unanimously.

Item B: No other old business discussed.

New Business:

Item A: It was MOTIONED by **G. B. HALL III** and SECONDED by **MITCHELL L. LEWIS** to select the Mansfield Enterprise and Interstate Progress as the Official Municipal Journal for the City of Mansfield, pursuant to LA R.S. 43:141. Motion Passed Unanimously.

Item B: It was MOTIONED by **JOSEPH HALL, JR.** and SECONDED by **TROY N. TERRELL** to authorize the Mayor to enter into and execute the Annual Maintenance Agreement for Mowing and Litter Pickup FY ending **June 30, 2012** as submitted by the LA DOTD. Motion Passed Unanimously.

Item C: It was MOTIONED by **MITCHELL L. LEWIS** and SECONDED by **G. B. HALL III** to adopt an Ordinance approving the recommendation of the Mansfield Planning and Zoning Commission to grant the request of **David P. and Janet H. Calhoun** to rezone property located at **7641 Hwy. 509** from an I-1 (Light Industry) district to a B-3 (Community and Central Business) district. Motion Passed Unanimously.
